Re: Sagamore Rotary Interchange Project
Bourne, MA
E.A.P. No. STP-001S(314)
Contract No. 36310
E.T.& L. Project No. 04-08

Dear Mr. Arello:

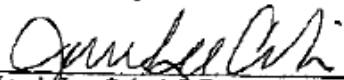

It is not often enough in our industry that we take time to say Thank You to our Subcontractors or Suppliers for a job well done. We would like you to know that your effort and performance on our Sagamore Rotary Flyover has helped to successfully achieve this project milestone on schedule. Governor Romney will cut the ribbon on the new southbound roadway at noon on Friday, October 20, 2006 to finally ease the traffic burden on the Route 3 / Route 6 Cape Cod bound traffic.

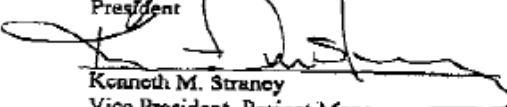

We would like to make special mention of Mr. Harvey Israclian and Mr. Tom Ethier who have represented your company in a professional and cooperative manner, of which both they and Hydrograss Technologies, Inc. can be proud.

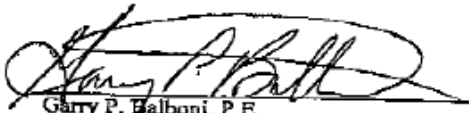

Again, E.T.& L. Corp. wishes to express our appreciation to you and your company and congratulate you for a job well done!

Cordially,

E.T.& L. Corp.

Jennie Lee Cotosi, P.E.
President

Kenneth M. Straney
Vice President, Project Manager

Garry P. Balbani, P.E.
Vice President
